

VOLUME 99—NUMBER 19

For \$41,900

Cameron Firm Wins Basin Cover Bid

The City Council Tuesday night approved a low bid from Graham Construction Co., Cameron, of \$41,900 for construction of two

concrete covers over new city water reservoirs.

Councilmen also approved a \$300 bid from R. O. Curry to move east to a permanent site in Southeast Cameron and called for a the city's warehouse from US 77 bid call for a new tractor and front-end loader for the street department.

It was the second major bid won by Graham Construction Co. within a week. The city firm was successful low bidder on a sewage system project last week in Temple, and is currently completing Cameron's sewage disposal plant.

7 Bids Entered

Seven bids were submitted with the next lowest posted by Andrews Parker for \$43,000. Others ranged as high as \$58,887.

Completion of the basin covers will be another step toward state-approved water.

A delegation of farmers in the Milam Farm Bureau requested that councilmen take action on opening of the labor shed at the Municipal Airport.

Spokesman John A. Smith said that laborers bringing in migratory workers would not bring workers to Cameron without use of the labor shed.

Harry Rogers, operator of the airport on a 10-year lease, had rejected requests from farmers to open the labor shed unless the city provided water and a fence to keep the workers off the airport, Smith said.

The council agreed that further efforts would be made to provide the fence and water for the shed. The city agreed to furnish labor to build the fence.

A delegation of councilmen and farmers was to meet with Rogers later this week.

Later in the council meeting, a letter from a resident in the vicinity of the airport asked that steps be taken to clear the area of weeds that create a fire hazard.

Delegation Heard

The council also heard a delegation from East Gillis Street ask for action to replace the scheduled Gillis sewer line already budgeted by the city.

The trio of ladies offered to obtain easements from property owners along the street for emplacement of the line through the yards of the homes.

The project has been stalemated by one neighbor who was refused the right-of-way on his property to put the line through the planned route. It is a \$6,000 project.

Mayor Bassel Wilson also noted a letter of appreciation from the Cameron Saddle Club for the city's work in cleaning up Wilson-Ledbetter Park for the recent horse show.

And a letter from Fire Chief Carl Black asked the council to consider the purchase of a new fire truck when the 1958-59 budget is drawn up. The mayor will begin work on the budget in the next few weeks.

Also noted was the installation of two fire and police call boxes which the council voted to maintain for \$8.75 per month. The boxes were placed in downtown Cameron and will ease Cameron's fire insurance rates, Wilson said.

Building Splurge

3 Projects Working

Construction continues to boom in Cameron with three major projects underway and a facelift completed at Hornung Hatchery.

Workers were building the foundation of a new restaurant-service station at West Fourth St. and North Fannin. Building the project is Robert Wells, Cameron oil company co-signee.

The new structure will house a restaurant facing north on Fannin and modern service station, Wells said.

Just a block away, brick work was continuing on the new First Methodist Church education building.

TOPS IN TEXAS—Alton and Leo Fuchs look over one of their leghorns in a group of birds that recently won first place in the Fourth Texas Random Sample Egg production Test. The Fuchs, a father and son poultry developing team, developed the new strain. Fuchs owns Ideal Hatchery and Poultry Farm, Cameron.

Miss Heitman Wins MFB Queen Contest

Miss Carole Ann Heitman, Cameron, was named queen of the 1958 Milam County Farm Bureau in a beauty contest Friday night at Simon-George Hall.

An overflow crowd of about 400 people saw Miss Heitman crowned queen of the annual Farm Bureau contest by MFB President O. G. Tumlinson.

She triumphed over a handsome field of seven Milam County entries.

Runner-up was Miss Mary Jane

Vogelsang, daughter of Mr. and Mrs. F. W. Vogelsang, Cameron. Miss Heitman is the daughter of Mr. and Mrs. W. G. Heitman of Cameron.

Other Contestants

Other contestants in the competition Friday were: Miss LaVelle Fischer, Miss Anna Belle Conn, Miss Frances Hoffman, Miss Ruth Ann Whittington and Miss Beverly Morgan.

Miss Lenora Bickett said that master of ceremonies for the program was Bob A. Lilly, field representative of the Texas Farm Bureau.

Miss Heitman added the Milam queen's crown to other titles including queen of the Bryan Air Station and a duchess at the Texas A&M spring ball. She is a 1958 graduate of Yoe High School and will attend Southern Methodist University, Dallas, this fall.

She received the queen's bouquet and prize money. Miss Vogel-sang and the other contestants were awarded gifts.

Last year's winner was Miss Mary Smith, San Gabriel, who won the runner-up spot in the Texas Farm Bureau contest last fall. Miss Heitman will represent Milam County in the district beauty contest in September.

Mrs. Bernice Charles was in charge of stage decorations. Her committee was: Mrs. S. W. McClaren, Mrs. V. L. Angell, Mrs. Robert Jungmann, Mrs. Edwin Fischer, Mrs. Charles Hensley and Mrs. Alice Hughes, county home demonstration agent.

Baylor U. Deans List

Includes Philip Fisher

Philip Wayne Fisher of Cameron is one of 55 students at Baylor University whose names appeared on the "Dean's List" for the spring quarter of 1958. This means that Fisher made a "Straight A" record for the term.

He was a senior at Baylor University last year, and is the son of Mr. and Mrs. George N. Fisher of Cameron.

County Maize Starts Rolling In At Early Year Record Pace

Hearing Set For School Budget

H. B. Pressley, president of the Cameron School Board, has called a meeting of the board for 7 p.m. August 14 in the office of the superintendent, Ben Milam School, to discuss the 1958-59 school budget.

The annual budget hearing will include a review of school tax income and a breakdown on various segments of the school economy, according to Supt. Wiley Loughmiller.

In announcing the meeting, Pressley stressed that the public was invited to attend and participate in the discussion.

4 Milam Men To Be Drafted In August Call

Four men are scheduled for induction August 18, according to the Milam County Draft Board. They are: Johnnie E. McDermott, John W. Condray, James D. Blackmon and Hughie W. Smith. Five men are scheduled for preinduction physical examination on the same day. They are: Bobbie R. Pope, Ben T. Bullock, Odus Osborne, Jr., Johnny B. Fither and Ralph P. Heisch.

Fifteen men registering during July were: Alvin George Faichtinger, James Wayne Molden, Nathan Edwin Heine, Leo Charles Moraw, Mike Santos Salazar, Jr., Billy Rowe Irish, Joe Louis Hromcik, Jr., Make McDermott, Jr., Fayett Thomas Finney, Leon Joseph Darden, Joe Lewis Gibson, Robert Ernest Glaser, Jr., Charles Houston Hardman, Gary Jay Butler, and Leroy Jackson, Jr.

Board officials reminded that all men born since August 30, 1922, are required, not only to be registered upon attaining the age of eighteen, but also to keep the local board advised of changes in status and address so that the file will always be current.

Sharp Well Tests At 1040 Feet

The W. H. Clark Company well on the Floyd Hargrove ranch west of Sharp stopped drilling Friday at 1040 feet. Reports at prestime indicated that they were swabbing the well and would determine findings by Friday.

The No. 1-A Mrs. Floyd Hargrove is being drilled by W. H. Clark, independent operator from Taylor on a 1,100 foot permit. It is located two miles west of Sharp.

WINS CAMP HONORS—Eugene Michalka, Cameron, displays the trophy and certificate he won at the Texas Lions Camp for outstanding work in athletics, art crafts and church activities during two weeks at Kerrville. He was sponsored by the Cameron Lions Club, which each year sends Cameron or Milam County youths to the camp.

Michalka Honored At Summer Camp

Eugene Michalka was elected Best Camper at the Texas Lions Camp for Crippled Children as he completed two action-packed weeks of camping under the sponsorship of the Cameron Lions Club.

Michalka is the son of Mr. and Mrs. Leo F. Michalka, Cameron. A major project of the Texas Lions Club, the camp is run in two week sessions through the summer and includes approximately 125 campers at each session.

Activities at the camp near Kerrville include swimming, arts and crafts, hikes, and camp crafts which were applied on overnight camping trips to Inspiration Point.

At an awards assembly ending the two week session, Michalka was presented a neckerchief on which were stenciled the emblems depicting his accomplishments for the two weeks. These accomplishments included swimming, overnight camping, chapel, vespers, dramatics, and work in arts and crafts.

Unit activities which he was commended for were checkers, horseshoes, miniature golf, shuffleboard, ping pong, and bowling.

Frank Robertson, executive director of the camp, praised Michalka as an excellent sportsman and announced that he had accepted an invitation to remain as a counselor-in-training.

Party Harmony Apparent

Democrats Name Delegates

Milam County Democrats Saturday named 17 delegates to the State convention and approved five resolutions for Milam County support at the San Antonio meeting.

About 100 county delegates approved unanimously four resolutions, but a precinct roll call vote was taken for approval of a four-part resolution and rejection of a legislative resolution.

Resolutions approved in the generally harmonious meeting were:

1. A resolution urging a return to constitutional form of government.

2. A measure calling for party harmony and support of party nominees and avoidance of factional party fights.

3. A resolution to oppose abolition of precinct conventions and changing of primary dates to earlier months in the election year.

4. A measure urging the state convention to accept delegates el-

ected from state senatorial districts and favoring a registration law by party affiliation prior to primaries.

In a roll call vote, the convention also approved a four-part resolution that called for opposition to monopoly in government and pooling of funds by any organization for political campaigns, favoring a right-to-work law in Texas, opposition to federal aid in education and favoring continuation of grass roots control of government.

In a final vote, delegates disapproved a resolution asking for annual salaries and adequate sessions of the state legislature.

The convention elected E. A. Camp, Rockdale attorney, chairman of the convention. Max McClaren, Milam County Democratic chairman, opened the meeting before Camp was named chairman. John C. Andres was elected secretary.

In other action a unanimous convention vote approved a citation to County Clerk Homer Nabours for more than 30 years service to the Democratic party. Nabours lost by a slim majority to Wayne B. Wieser in a race for re-election July 26.

In a final vote, the convention approved a motion calling for the state delegates to vote under the unit rule at San Antonio.

Delegates named to the station convention were: McClaren, Gordon Baskin, James Kahler, Richard Williams, W. C. Wallace, all of Cameron; Russell Suggs, Collier Pearson, Joe Carr, Lonnie Romine, Byron F. Cook and John M. Weed, Sr., all of Rockdale; Harry Wayne Clark, San Gabriel; E. J. Kuzel, Buckholts; Weldon Gilchrist, Thorndale; Charles Edward Hensley, Maysfield; Mrs. Shelby Smith, Gay Hill; and O. D. Peoples, Milano.

Estimates Set Beyond Original \$1.75 Millions

Milam County's maize crop this week began rolling into area and city storage facilities as the early grain harvest indicated a crop even greater than anticipated.

Robert Clark, secretary of Milam Grain Co., and C. O. Angell, plant manager, have raised earlier estimates on the total number of cars to be produced in Milam County.

Clark told The Herald that a prediction of 1,000 cars (100,000 pounds to the car) may be short of actual production. Grain facilities in Cameron and vicinity already had loaded about 150 carloads of the early maize. And the heavy influx of harvested maize has not yet begun.

The 1,000 carload estimate would mean about \$1,750,000 in maize in Milam County. But higher production may push the total to the two millions mark.

The maize crop is well ahead of harvested production compared to the same period in 1957. Rains slowed production in early August of last year.

Heavy clouds and a light shower Sunday afternoon caused momentary concern for the county maize. But the cloud mass passed over and only a few hundredths of an inch of precipitation fell in Cameron and most parts of the county.

County Agent J. D. Moore said the weekend rain boosted the maize and hegar. The high temperatures of the past week combined with the Sunday shower to add last minute growth to both grain and cotton crops.

Moore noted that cotton production is expected to be about one-third bale to the acre this year on the 30,000 acres in cultivation.

Cotton will fall into second place this fall as Milam County's money crop. The same situation is developing throughout Texas, according to Texas A&M agriculture experts.

Services Wednesday For Mrs. Ida Kreusch

Funeral services for Mrs. Ida Joyce Kreusch, 75, were held at 7 a.m. Wednesday in St. Monica Catholic Church. Services were conducted by the Rev. George J. Duda and the Rev. Alfred Kallus. Burial was in St. Monica Cemetery.

Mrs. Kreusch died at 5:30 p.m. Monday in a local hospital. Rosary was recited at the Marek-Burns Funeral Home at 7:30 p.m. Tuesday.

She is survived by nieces and nephews.

Pallbearers were: Felix Matula, Jr., Dan Farney, Lester Williams, C. J. Sutter, Lee McLane, and Roy Baskin.

BRA To Display Dam Exhibit Here

A new portable exhibit of the Brazos River Authority will go on display for two weeks in Cameron Monday morning at the Citizens National Bank.

Oxshier Smith, a member of BRA board of directors and chairman of the finance committee, said the display consists of three units showing the 23-dam master plan, nine scenes at the three major lakes in the Brazos watershed and description of the watershed, its water conservation and flood control.

Morgan In Far East

John W. Morgan, radioman second class, USN, son of Mr. and Mrs. W. H. Morgan of Milano, and husband of the former Miss Mary Reese of Gause, is serving aboard the attack transport USS Magoffin, now on duty with the U. S. Seventh Fleet in the Far East.

Column 99

By Frank M. Luecke

SIGNS, SAYINGS, ETC.—A topic almost as common in conversation as the weather these days is the credit buying habits of the American people. Consensus among most people is that we buy too much on credit, then trade it in for more credit and additional "easy pay plans."

There comes across our desk a sign in a gas station that fits into this scheme of things. It goes: "Use Our Easy Pay Plan — 100 percent Down; Nothing To Pay Each Month!"

99 — 99 — 99
We also have received a contribution that turns your mind to better things through credit if you can earn the extra fare. It takes some money, not much mind you, but some money to gain enough credit to buy on the pay-as-you-go plan. Here is a way one employer explained the situation:

Boss to clerk: "Your salary raise will become effective as soon as you do!"

99 — 99 — 99
Still another contribution points to the plight of man and his money. He is easily parted from his possessions, says this anecdote, because:

"Man is the only animal you can skin more than once!"

99 — 99 — 99
We opined last week in our column about our outstanding maize and corn crop this year, but space deleted said comments. We wish to repeat this week the tremendous impression of good crops we get when driving through Milam County. It seems that good grain is the fall order of farm business.

99 — 99 — 99
RECENTLY READ—It has come to our attention (through oft-misinterpreted national statistics) that weekly editors are overworked, that weeklies are understaffed and everyone is underpaid.

But, by Jupiter or Zeus, and any other apt expression, I have found the only way to avoid being one of those statistics: my wife!

Most people know her as Jan Luecke, a quite personable, competent individual. But our able staff will verify that they know her well by another name.

"Somebody has to do such and such," raves I. Who does it? My wife!

"Will somebody write this letter?" we inquire. She writes it. You've guessed by now her middle name: Jan "Somebody" Luecke.

And that is the story of my success in avoiding being a statistic. Somebody is, but not I.

City K of C Plans 8th Picnic Program For August 17th

The Cameron Knights of Columbus have announced plans for the eighth annual K of C picnic August 17, according to Chairman Paul Sheguit.

He said the annual picnic-dance will begin at 4:30 p.m. with a barbecued chicken and country sausage dinner.

A dance will follow at 8:30 p.m. at K of C Hall with music by the Vrazel Polka Playboys.

John Gelner, co-chairman of the annual K of C event, said that another record crowd is expected at the picnic. Last year about 1200 people attended the barbecue-dance.

Other activities include games for the whole family, Sheguit said.

Here's the 2nd Week in SAFEWAY'S Big "CROSS-OUT" GAME

Just match the numbers at the left against your Cross-Out Card now available at Safeway. If you have 5 numbers in a row — down, across, or diagonally on your card you have a winning card.

Just Follow These Simple Rules:

- ★ Pick up your Safeway "Cross-Out" Card today at your Safeway Store — and each time you shop thereafter for the next 12 weeks.
- ★ Match the numbers on your card against the master numbers. Pencil an X over those numbers on your card that match these numbers.
- ★ If you can "X-Out" on your card, five numbers in a row, either down, across or diag-

onally, you have WON A PRIZE! Just turn over your card and you'll know what you have won.

- ★ IF YOU HAVE A WINNER — Fill out the required information on the back of the card and mail it to: Cross-Out, Box 551, St. Louis, Missouri. You'll receive your prize in about 15 days.

- ★ IF YOU HAVEN'T A WINNER THIS WEEK — Erase the X's from your card and save it

to play against Safeway's ads next week-end in this paper, and each succeeding ad of the contest.

- ★ Save this "Cross-Out" ad and every "Cross-Out" ad for the next 11 weeks — a previous "Cross-Out" may have winning numbers for a new card.

- ★ Cards will be given to adults only.
- ★ Complete rules and instructions on every "Cross-Out" Card.

A Rec Program Salute . . .

The Herald wishes to salute the many persons and organizations that were instrumental in making the 1958 Summer Recreation program a big success in Cameron.

This annual summer program for the youngsters of our city has more far-reaching effects on Cameron than the general good it serves up to the participating youngsters.

Truly, the youngsters are the better for their participation in summer baseball, swimming, softball and the other sports. They and their parents benefit from the competition and association of boys and girls. The kids learn to give and take and they develop healthy bodies. And their parents take real interest in their offspring in Little League and Babe Ruth League baseball and the other summer activities.

The entire program gives Cameron a solid center of interest in the future of Cameron itself, the adults of tomorrow. It brings together civic clubs, school, churches and practically every organization. It brings together the members of these organizations in a program for the general good — their children.

It molds lifetime interests in athletics and handicrafts while the molding is best accomplished. It takes active young interests and minds off the mischievous street and puts them to work on the playing field.

It even adds to Cameron's attraction as an active community interested in growth.

All these things it does through the concerted efforts of children, parents and the general public.

We sometimes think only the kids benefit. This is not true. This program focuses light on the importance of co-operation and its success. We help ourselves as we help our kids. To those who served this summer program, we extend our congratulations. You are serving Cameron and her youngsters well.

THE LITTLE RIVER PHILOSOPHER

Sage Talks About, But Doesn't
Solve, Middle East Situation

Dear editor:

What I know about the international situation is about like — well, let's put it this way, I don't know nothing about it, do you, although I'm quick to say this isn't embarrassing, or at least I don't feel lonesome about it, as I guess man's greatest achievement today is his ignorance of what's going on in other countries, and I have achieved even more than that as most of the time I don't know what's going on in this country either. No use expecting more of me than you do of Congressmen and editors.

But what I started out to say is that last night I was reading in a newspaper where a Congressman in Washington is disturbed because the American intelligence system abroad has been falling down. As I understand it, the Central Intelligence Agency is a secret organization spread out over the world to send Washington information on what's going on in other countries, but lately the organization has been sort of slow to find out, apparently getting its information mostly from the newspapers, the same as the rest of us, and consequently has been taken by surprise by some sudden revolts in the Middle East.

Now this Congressman was pretty critical about the Intelli-

gence Agency operators, complaining that apparently they've been "whistling in the dark and hoping things aren't as bad as they are instead of facing the facts."

What I'd like to know is what's wrong with such a system? That's the way I function. All my life I've been hoping things aren't as bad as they are instead of facing the facts, and I'm here to tell you the system works.

The only way I know to make a crop year after year is to refuse to face the facts and hope it's a lot better than it is.

The only way to vote satisfactorily is to hope the candidates aren't as bad as they are and whistle while you mark your ballot.

The only way to raise a bunch of children is to hope they aren't as bad as they are, and look the other way instead of at the facts. You can whistle too if you want to, but it'll be drowned out, and in the final wind-up the kids probably won't turn out much better than you.

The only way to get along with a wife is to — well, I'd better cut this off now, you never know who's going to read it.

Yours faithfully,
J. A.

Many Thanks

To The Voters of Precinct 2

For Your Interest and Support during my campaign for Precinct 2 County Commissioner.

It is sincerely appreciated.

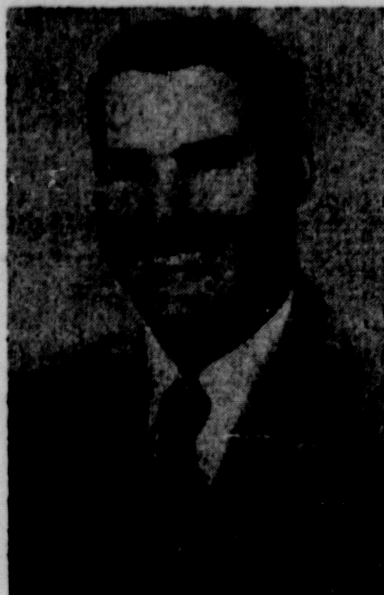

Howard Tucker

Capitol Report

August To See More Political Action

By Vern Sanford

TEXAS PRESS ASSOCIATION
AUSTIN — Although the main bout of the political summer is over, there's still considerable commotion ahead.
Generating a little extra heat during the scorching weeks ahead will be these events:

EUGENE D. BEYER

Buckholts Adds Beyer, Hanke To School Staff

Eugene D. Beyer, 27, has been named Vocational Agriculture teacher in Buckholts and Lester Hanke will join the faculty as sixth grade teacher and physical education instructor for elementary and high school, according to Mrs. Coy Arledge, superintendent.

Beyer will replace Cornelius (Bo) Tittsworth who resigned this spring to accept a position as manager of the Buckholts Grain Dryer.

Hanke, whose home is in Marak, received his B. S. Degree this month from SWSTC, San Marcos.

Beyer attended Prairie Lee High School and was awarded an athletic scholarship to SWSTC, San Marcos where he received his B.S. Degree in May 1956.

He was Vocational Agriculture teacher at Wallace before accepting the Buckholts position.

Beyer is married and has two sons, ages 5 and 3, and a daughter six months old.

Former Resident John B. Burnett Dies In Memphis

Funeral services were held last week for John Bickett Burnett, 84, in Memphis, Texas.

Born in South Carolina, Burnett was the oldest son of the late Mr. and Mrs. I. N. Burnett, Sr. of the Marlow Community. He was a retired farmer and land owner in Memphis.

Survivors are his wife, the former Miss Addie Gann of Milam County; four sons, John L. Clifton, and Barney of Memphis, and Bluford of Clovis, New Mexico; one daughter, Mrs. Clara Holcomb of Wheeler; seven brothers, Dr. Hampton Burnett of Corsicana, Burice Burnett, A. W. Burnett, Willie Burnett, Theo Burnett, and Greer Burnett of Cameron, and I. N. Burnett, Sr. of Beaumont; two sisters, Mrs. Mary Moody of Temple and Mrs. Lois Bigbee of Cameron; seven grandchildren and two great-grandchildren.

STATEWIDE RUNOFF: Only one race for statewide office, a place on the Supreme Court, remains to be decided at the Aug. 23 primary. Contenders are Robert W. Hamilton of El Paso and J. Edwin Smith of Houston.

In a one-contest race like this, the candidates' big problem is likelihood of being ignored. A tiny segment of authorized voters could tip the election.

State Democratic Chairman Jim Lindsey has reminded county chairmen that the law requires that they hold a runoff primary — even if it's just for one race. In some 100 counties there are no local races going into a runoff.

LEGISLATIVE RUNOFFS: Winners of 33 legislative posts are yet to be decided.

Included are three campaigns to decide successors of retiring Senators Otis Lock of Lufkin, Searcy Bracewell of Houston and Carlos Ashley of Llano. All of the 28 senators already definitely "in" are incumbents.

In the House, also it appears to be a good year for incumbents. Out of a membership of 150, 101 won out in the first primary or had no opponents.

Nineteen new members were elected to the House in July, and winners of 30 seats are yet to be decided. Twelve incumbent representatives are involved in these runoffs.

SPEAKERSHIP RACE: Hanging in the balance of the 30 House of Representatives runoff races is the outcome of months of persistent campaigning for one of the key posts in state government — Speaker of the House.

Speaker is elected by fellow House members. Candidates are Rep. Waggoner Carr of Lubbock, seeking a second term, and Rep. Joe Burkett Jr. of Kerrville.

After the July primary, each claimed to have 45 per cent of House members pledged to his side. This is not literally possible since only 80 per cent of the total membership has been elected.

But it illustrates the nip 'n tuck nature of the contest that probably won't be over until the last chip is down.

STATE DEMOCRATIC CONVENTION: Climax to the precinct and county conventions — and all the struggle that preceded them — will be the state meeting in San Antonio Sept. 9.

It's known traditionally as the "governor's convention" with the nominee for governor and his supporters taking the lead in deciding on officials, committees and policies for the next two years.

Gov. Price Daniel, who worked hard at rallying moderate-conservative Democrats to precinct conventions than at his own race for renomination, predicts a comfortable margin of supporters at the state meeting.

More students, more prosperous pros are in prospect on the campuses of Texas state colleges and universities this fall.

Commission on Higher Education predicts a total enrollment of more than 81,000 at the 18 tax-supported colleges, up from last year's 77,913. Beginning this year, a growing flood of college students is expected as the high schools turn out the "war babies" of the 1940's.

Pay raises up to 20 per cent will begin in September for the state college teachers. It will put the "average" professor's annual salary between \$5,000 and \$7,000.

Cameron's Business - Industrial Review

**Story Of Cameron
Business Leadership**

Robinson Texaco Offers Driver Complete, One-Stop Car Service

Since going into the service station business in 1930, W. A. L. Robinson has offered a complete auto service that rates his company's motto, "everything for the car."

And that is what Robinson offers today for motorists who are served by his competent staff of four at his Texaco Service Station, 115 N. Fannin, Cameron.

A dealer in many name-brand auto accessories and equipment, Robinson prides himself in offering the public, personalized pick-up and delivery service as an added feature of his well-known road service.

Sells Goodrich Tires

Chief among his many name-brand auto services is the sale of B. F. Goodrich tires and batteries for every make of car, tractor, truck. He points out he stocks a complete line of vehicle tires and tubes for anything from a wheelbarrow to road machinery.

"Our name-brand sales include

Dupont plastic car accessories, Fram filters, AC ignition products and a host of other popular brand auto items," Robinson says.

"And our auto road service is complete, including lube, wash, battery charging, wheel packing and all other extras to make our road service second to none," he emphasizes.

A veteran group of service station personnel headed by Station Manager Monroe Corbin provides the motorist satisfaction plus in care of his automobile. They have a total of 21 years service with Robinson.

Besides Manager Corbin there are Billy Scarborough with two years experience, Douglas Moore with 12 years and Loenard Winn with one year. Corbin has been at Robinson's for 10 years.

Robinson opened his first Texaco service station in 1930 and moved to his present location at 111 N. Fannin in 1935. He has sold Texas Company products and

Goodrich tires and batteries since first going into business.

28 Years Experience

"We feel that 28 years in the service station business gives us the experience to know what motorists want and need in auto care and maintenance," Robinson says.

"We seek the opportunity to prove our ability to do the best possible job on a customer's car the year-round with the same interest we would give our own personal vehicles."

Robinson's facilities include a complete wash and lubrication working area and equipment. Also he has the full line of Texaco products from regular to Sky Chief gasoline.

"We invite you to try our personal, efficient service next time your car needs servicing. We will do the job quickly and at your convenience. Call 675, W. A. L. Robinson Texaco for 'everything for the car.'"

Milam Grains Facilities Give Fast Unloading

Final construction touches have been added at the enlarged facilities of Milam Grain Co., 201 Cedar St., for the 1958 maize season.

Manager C. O. Angell says that Milam Grain Co., now entering its second year of operation, has increased unloading capacity by 275,000 pounds per hour.

"This means that there will be much quicker unloading when farmers bring in their grain for storage," Angell says.

The increased size is possible through enlargement of unloading facilities used last summer from 75,000 pound-per-hour capacity to 150,000 pounds per hour, he points out.

"And we have added a new unloading facility that will handle 260,000 pounds of maize an hour by itself," Angell notes.

375,000 Pounds An Hour
Combined unloading facilities of the Milam Grain Co. then will be able to handle 375,000 pounds an hour compared to 75,000 pounds an hour in 1957.

Additional storage space also is available after expansion work in the storage buildings to hold 200 cars of maize, about 80 cars beyond last year's capacity, he emphasizes.

Angell says that a grain unloading tower has been added as part of the improvements.

"We believe these improvements at Milam Grain Co. will make our operation the best 1958 storage market in the area," he continues.

Officers of Milam Grain Co. are Perry Holder, president; Angell, vice-president; Robert M. Clark, secretary-treasurer; and H. L. Yager, member of the board of directors along with the other officers.

Office staff at Milam Grain Co. includes Mrs. Albert Glaser and Mrs. Dean White.

The Milam Grain Co. buildings were once the old Batte Oil Mill which was re-opened for grain storage last summer.

Milam Grain Co. handled a total of 100 carloads of maize in the first year of operation, buying 60 cars of maize for the open market and storing about 125 carloads.

"We know that our improvements will mean better service during the 1958 maize crop and much greater convenience to farmers wanting to store their grain in the Milam County area," Angell concludes.

Ford Tractor Sales, Service Highlight Stedman Co. Store

You get power you can depend on with Ford Powermaster tractors available at Stedman Tractor Co., Cameron, according to H. H. Stedman, agency owner.

Stedman points out that his tractor agency features sales and service on all Ford tractors and field equipment and New Holland balers, rakes and mowers.

His company also handles the famous Maytag gas range, washers, dryers and conventional washers. Another product well-known for its efficient operation, Stedman says, is Toro Lawnmowers.

"We have operated a Ford tractor agency since 1946 on the basis of fair price on all our farm equipment, good trade-in allowances on used equipment and the best Ford farm equipment repair in Central Texas."

Smith Manages Agency
Hugh Smith has managed Sted-

man Tractor since it was opened. The agency was moved to its present location, First and North Central, a short time after it was established in Cameron after World War II.

"Stedman Tractor also has excellent service personnel in Leroy Barkemeyer, our service manager and Herman Reineke, tractor mechanic. Barkemeyer has 10 years of experience while Reineke has about seven," Stedman says.

"The point is that Stedman Tractor services what it sells to the satisfaction of the customer."

He says that Ford's 1958 Powermaster Tractors give the user maximum power whether tilling, cultivating or doing any other tractor field work.

"Ford Powermasters are not only powerful but they are built for maximum driver comfort and convenience. One simple step puts

him on the easily accessible running board without awkward climbing," Smith says.

And we have a big line of matching equipment to take full advantage of the many outstanding features built into Ford tractors, Stedman says.

"Among our tractor parts are outstanding Ford batteries and a complete parts stock," Stedman notes.

"Our drive-in entrance on First Street gives our customers easy access to the garage and service department," he continues.

"We ask that Milam County farmers consider Stedman Tractor their farm equipment headquarters and Ford the tractor and field equipment they can depend on," Stedman concludes.

SOCIETY

Variety Of Parties Fete Miss Henderson

Miss Jane Henderson, bride-elect of Mr. Jack Killgore of Rosebud has been honored with a number of courtesies this summer including the following parties during the past week. The popular couple will be married at 8 p.m. Saturday in the First Methodist Church, Cameron.

BRUNCH ENTERTAINMENT
Mrs. R. L. Batte, Sr. was hostess for a brunch at her home July 29 honoring Miss Jane Henderson, bride-elect of Jack C. Killgore of Rosebud.

Mrs. W. A. Bonds assisted Mrs. Batte and Mrs. John C. Killgore of Rosebud presided at the bride's book.

Brunch was served from the dining room table which was covered with a handpainted linen cloth and centered with an arrangement of pink asters. Pink napkins were inscribed with the names of the honored couple. Mrs. Ercelle Knight of Conroe served cream-chicken on toast and Mrs. Ralph Killgore of Rosebud, mother of the prospective groom, presided at the coffee-service.

Each guest embroidered her name on a cup towel for the honoree and presented her with their favorite recipe. Mrs. Batte presented a copy of her History of Milam County to Miss Henderson.

Out-of-town guests other than those mentioned were Messrs. Bill Watson, Wells Smith, Frank Mayborn, and Opal Roberson of Temple; Mrs. Clara Knight of Conroe, and Mrs. P. J. Hendee of Richmond.

LUNCHEON FRIDAY
Mrs. John C. Killgore, sister-in-law of the prospective groom, honored Miss Henderson with a luncheon Friday at her home in Rose-

bud. Party rooms were decorated with wedding bells, pink ribbons and forget-me-nots.

Guests were seated in the dining room for the luncheon following cocktails of V-8 Juice and Sherry.

The dining table was covered with a cut-work linen cloth and centered with an arrangement of roses in a large crystal bowl with pink streamers extending the length of the table. Hand painted place cards marked the places.

The guest list included Cameron friends, Mrs. Ralph Killgore and Mrs. Dick Ellison of Rosebud, Mrs. Opal Roberson and Mrs. Frank Mayborn of Temple.

Games of bridge and canasta were enjoyed during the afternoon.

PATIO PARTY
Miss Henderson was honored with a patio party on the terrace of the O. B. Harden home Saturday evening.

Hostesses were Miss Lynn Lewis, Mrs. Tommy Uhr, Mrs. Albert Michalka, and Mrs. W. R. Adams of Bryan.

An Italian supper of spaghetti, tossed salad and garlic bread was served buffet style. Mrs. A. J. Lewis assisted with the service.

Hostesses presented the honoree with a copper canister set and the evening was spent in informal entertainment.

Guests included school friends from Cameron and Mrs. Ralph Killgore and Mrs. John Killgore of Rosebud; Mrs. Bill Brister of Austin; and Mrs. Charles Richards of Waco.

Mrs. Boyd Wells of Austin is a guest this week in the home of Mr. and Mrs. John B. Henderson.

THANKS, Many Thanks

I am very glad to be your County Treasurer for another term. I appreciate your many votes and I will continue to serve all of you to the best of my ability.

— Mrs. Ida Johns

TO THE VOTERS OF

PRECINCT 2:

We as friends of Robert Weems believe he has some qualifications to make a good commissioner and we will support him in his race for this job.

He served four years as street commissioner and is the only candidate in the race with road building experience.

Much of the city blacktop street program was performed by Robert, and he assisted the county in building two or more of their blacktop roads, the Armory and K. C. Hall Drive and the Country Club road. Robert has lived and worked among us daily — a full time citizen of our community.

He will greatly appreciate your vote and support.

— VOTE FOR —

ROBERT WEEMS

(Pol. Adv. Paid by Friends of Robert Weems)

Personal Mention

Mr. John Stanley of Bartow, Florida, and Mr. A. A. Stanley of Eufaula, Alabama, were guests of Mr. and Mrs. Otis Vickers Thursday.

Mr. and Mrs. Calvin Spilman and boys of Pasadena were weekend guests in the home of her parents, Mr. and Mrs. O. B. Horstmann.

Mr. and Mrs. C. E. Triggs returned to Cameron last week following a three-week vacation in California.

John Tomaseks Observe Golden Wedding Day

Mr. and Mrs. John Tomasek of Buckholts were surprised with a barbecue dinner and supper observing their golden wedding anniversary July 27.

Hosts were their children: Victor of Blessing, Frances of Rosebud, and Adolf and Willie of Buckholts.

Mr. Will Orsag, Jr. and Mr. Ed Orsag of Cameron provided musical entertainment for the group.

Included in the group were Mr. Tomasek's brothers, Pete and Anton; Mrs. Tomasek's sister, Mrs. Elizabeth Kazada from Abbott; Mrs. Victor Tomasek and Victor Joe, Mr. and Mrs. Ed A. Hlozek and Mrs. Mary Brdecko of Blessing; Mr. and Mrs. Jerome Vacek and sons of Bay City; Mr. Bill Sefcik of Rosebud; Mr. and Mrs. Emil Pollak and Anita of Temple; Mr. and Mrs. Willie Janicek and family of Holland.

Guests from Milam County were Jerry Novotny of Abbott; Mrs. Anton Tomasek and Emil, Mr. E. J. Sebesta, Mrs. Willie Horelica and Tinie, Mrs. Joe Gerick and Albert, Rudolf and Robert Tomasek, Richard Tomasek and Charlie Meyer.

Guests from Milam County were Jerry Novotny of Abbott; Mrs. Anton Tomasek and Emil, Mr. E. J. Sebesta, Mrs. Willie Horelica and Tinie, Mrs. Joe Gerick and Albert, Rudolf and Robert Tomasek, Richard Tomasek and Charlie Meyer.

Lawn Party Honors Mrs. John Engbrock

Mrs. Emil Skupin and Mrs. Jim Hauk were hostesses for a surprise birthday party July 27 honoring their mother, Mrs. Mary Engbrock, on her 75th birthday.

A large group of relatives and friends called on the honoree during the day and were served refreshments on the lawn at the Skupin home in Clarkson.

The honoree's great-granddaughters, Sharon and Tina Caster, and Ann Green assisted in opening her gifts.

Out of town guests included Mr. and Mrs. B. J. Bigler of Temple, Mr. and Mrs. Richard Duncan and Hiram of Temple, Mrs. Ralph Caster and daughters, and Mrs. Billy Surovik of Dallas.

INTRODUCING
Betty Dale Fatherree, born July 29 at St. Edwards Hospital to Mr. and Mrs. W. H. Fatherree, Jr. Betty Dale weighed 8 pounds, 8 ounces and is welcomed by a brother, Dubbie, 6, and a sister, Doris Ann, 4.

Mr. and Mrs. O. A. White and family enjoyed a three week vacation touring Grand Canyon, Yellowstone National Park, Los Angeles, San Francisco, Oregon, and Salt Lake City. Before they returned last week they had visited in ten Western states.

Dr. and Mrs. David Shapiro and family left Sunday for a vacation trip to New York. They were accompanied by their niece who had been visiting here.

Dinner, Tea Fete Martha Collins, Ronald Hudson

Mr. and Mrs. Ronald Hudson, who were married at All Saint's Episcopal Church July 29th, were honored last week with two entertainments. Mrs. Hudson is the former Miss Martha Ann Collins.

Mr. and Mrs. C. W. Hudson were hosts to a rehearsal dinner honoring the Collins-Hudson wedding party and members of their families last week.

The 20 guests were seated at tables centered with arrangements of sweetheart roses. Place cards were decorated with pink rice.

Assisting the hostess were her sister, Mrs. Odie Anderson and Mrs. Emory B. Camp.

INFORMAL TEA
Mr. and Mrs. Emory Camp were hosts for an informal tea July 27 honoring Miss Collins and Mr. Hudson.

The honored couple's family and close friends called between 5 and 7 in the evening.

Refreshments were served in the dining room from a table centered with two compotes of pink roses. Miss Kay Camp and Miss Peggy Burke presided at the tea service.

Stewart Completes 6 Week ROTC Camp

Franklin Stewart, son of Mr. and Mrs. B. F. Stewart of Cameron, recently completed a six week summer camp for ROTC students at Fort Hood.

Stewart is now employed in the Texas Power and Light Company's Engineering office at Taylor. He will return for his senior year at Texas Tech, Lubbock, in the fall where he will earn a B.S. Degree in Electrical Engineering in May.

Mrs. Anna Slama has been visiting in the home of her daughter and family, Dr. and Mrs. Warren Bendel and Kathleen Grace, in Washington, D. C. for the past three months. The Bendels and Mrs. Slama also traveled to Ohio during the visit.

Mr. and Mrs. Frank Reid and daughters returned from a two week vacation in Colorado last week and Helen and Rita left this week for extended vacations. Rita will visit friends in Texarkana and Helen is attending a training conference in Brownwood.

Five Teams Compete

Braves On Top; Little League Season Ends

The Little League season has come to an end climaxed by a summer of baseball for boys aged 10 through 12. The league had five teams including a new team, the Bears, who finished a strong second.

The league expressed their appreciation to Bill Crockett, owner of White's Auto Store for furnishing baseball caps for three of the Little League teams and to the employees of Walled-Lake Door Factory who were 100 percent Jr. baseball membership card owners. The league also expressed thanks for the community response to the membership card sale.

The Braves were the number one team in the league as they took 13 games from opponents and dropped only 3. The biggest reason for the Braves fine season was Bobby Jones who hurled brilliantly for the Braves the entire season and seldom failed to come through at bat. Ronald McWilliams was another big reason for the fine Brave season. McWilliams was number two pitcher on the team and was always capable of hitting the long ball. He hit four homers during the season. Jones also hit four homers as the two tied for the league lead in home runs.

Lawrence Laffere was another steadfast in the Brave lineup as he was the regular catcher and was willing to play anywhere he was placed. Douglas Bryan was one of the league's leading long-ball hitters and played regular first base. Mack McKinney played shortstop and caught. He always came through with a hit when needed and was probably the best infielder in the league. Mike Perin was the Brave 3rd sacker and good in hitting and fielding. Larry Plenti was the top Brave outfielder and a good clutch hitter. The Bears ran a strong second in the league thanks mostly to Robert Moraw, the Bear leading hitter and pitcher, he slammed 2 homers and paced the league in company with Bobby Jones with the best pitcher title. Carroll Kennan was the number one catcher

for the Bears and kept the entire team on its toes as they rapped up ten wins and five losses during the season. Billy Holloway, despite being one of the smaller boys on the team, was one of the League's better players, patrolling shortstop like he owned it plus doing some pitching. Charlie Wise, Mike Koronek, and Mark Humble were a top notch infield.

The Yankees and White Sox tied for third place, both with five wins and seven losses. Dennis Juter was the lead-off White Sox pitcher and was backed by catchers Tommy Layton and Robert Woodum. Their infield consisted of Eugene Mees at first, a fine fielder and David Mees at second. Philip Bowley and Richard Mosley rounded out the infield. Plachy and Vogelsang were the leading Sox outfielders.

The Yankees were led by Bobby Nelson, Craig Wallace, and Jon Zelisko. Nelson caught, Wallace handled first, and Zelisko was the top notch pitcher. Ronnie Bryan was a big help to the Yanks at shortstop. Robert Eikenhorst, a big surprise to the Yanks game with his hitting. Larry Bowen was a fine competitive catcher and strong hitter. Judson Smith, Tommy Fisher and L. Raley rounded out the team's hotshots.

The Indians were faced with the same problem the Colts were faced with in the Babe Ruth League, the loss of key players. They finished last even though they started and finished the season strong. James Fikes was the big name in the lineup. He caught throughout most of the season. Joe Bob Bailey was a big batter for the Indians. Merlin Lester was the better team hurler. Dickie Ponder and Frankie Dornier handled shortstop and third. Glen McCarty caught some for the tribe, Rocky Roberts played outfield and Cliff Evans roamed short and hurled some. Evans, Bailey, McCarty and several others were lost before the season was over.

The Braves were coached by Johnny Florida and Lawrence La-

ffere. Jimmy McGoldrick and Henry Schattler coached the Bears. Eugene Mees and F. W. Vogel-sang coached the White Sox, Bob Nelson and Niley Smith handled the Yanks while Melvin Dornier and Eddie Huntsman coached the Indians.

THOUGHT FOR TODAY

Today's Text: Hear, O Israel: The Lord our God is one LORD: And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.—Deuteronomy 6:4-5

By they help, O God, we would hide thy Word in our hearts and post it on our outer gates.

Varied Activities Key To Summer Program

One of Cameron's most worthwhile projects, the Summer Recreation Program, came to a close for 1958 last week.

Under the direction of Miss Dottie Young the program provided a variety of vacation activities for Cameron's young people. Its success is proven by the large attendance throughout the season.

Miss Young in summing up the project praised adult assistants for their cooperation and direct leadership in the individual groups. Baseball ranked first in attendance with the Sewing Club second. The Riding Club reported the best attendance percentage.

Projects in the sewing club were under the leadership of Mrs. W. T. Whatley, Jr., Mrs. Lyle McDermott, Mrs. Buddy Weise, and Misses Dianne DuBois, Cathrine Mikulec, and Ann Allison.

Mrs. Dana Monroe and Mrs. Charles McDermott led one of the more active groups, the Riding Club. Square dancing at the tennis courts was directed by Mrs. Monroe and Mrs. Charles C. Smith, Jr.

The Panthers, with Captain Jamie Pernice, were the high scorers in the bowling league. Next in the score line-up were Captain Carol Ann Wilson's Gorillas, Captain John Smith's Dinosaurs, and Captain Bob Nelson's Lions.

John Smith and Roy Wohleb ranked tops in the senior boys division with a 112 average. Jamie Pernice was second. Leading the junior boys were Jimmy Woodum, first, and Larry Bowen, second.

Ann Allison held the top average in senior girls division with Diane DuBois in second place. Jane Monroe had high average for Junior Girls and Billie Burke was in second place.

Mrs. Eugene Mees, Mrs. Josie Pernice and Annette Mees were

Earnest Bayer Paces Owls In Pennant Drive

Earnest Bayer, a rookie to Babe Ruth league baseball, turned out to be the outstanding player of the entire league as he never batted under .500 the entire season and ended the season with a .634 batting average, tops in the league. Bayer led the newest team in the league to a sweep of first place with 10 wins and 1 loss.

The Owls had a fine infield with Iven Vogelsang at first, batting .260, Earl McGoldrick played second more than anyone else although Jimmy Edwards, Bobby Hillman, and Billy Hawkes handled second some.

Wayne Puckett and Billy Hawkes split up third with some assistance from Steve Malone. Malone also caught, pitched and played a little outfield. His .440 batting average was 4th in the league. Puckett's .333 average was 7th in the league.

Stanley Sommers played the best outfield in the league in handling left field for the Owls. He batted .458, 3rd in the league, and was a top flight fielder. Douglas Parker and Malone split up the catching job. Parker batted .278 for the season, while his brother James Parker was the regular Owls shortstop. Dan Brasher, Don Warren, Rodney Thorpe, and Marvin McQueen handled the rest of the outfield adequately for the Owls.

Much of the Owls success is due to their fine manager. Jim Edwards who worked as hard if not harder than anyone in the league with the team and was one of the most popular coaches in the league. Edwards was assisted by Monroe Bayer and Jimmy Rettig who worked tirelessly with the boys. Rettig and Bayer were both fine High School ball players a couple of years back and their experience was a big help to the boys.

County Man Wins Colorado Election

Herbert Schroeder was elected Democratic Candidate for County School Superintendent of Colorado County in Saturday's election.

He is a graduate of Sharp High School and Texas A&M College and is presently making his home in Columbus with his wife and three children.

Schroeder is the son of Mr. and Mrs. George L. Schroeder of Sharp and Mrs. Schroeder is the daughter of Mr. and Mrs. Jim Mitcham of Cameron.

Miller Pilots Cats To Second Place Finish

The Rotary Cats, thanks mostly to the efforts of their head coach Pete Miller, finished second in the Babe Ruth league. Miller and his assistants held the team together in their worst moments. John Gay was next in charge under Miller. Miller stated that he couldn't have chosen a better man than Gay to work with. All district catcher Raymond Tepera and Rev. James Henderson also aided in the coaching.

Bobby Griswold not only led the Cats in hitting but was second in the league with a .485 average. Griswold played catcher, shortstop, and pitched some. Chris Gay was the second best Cat hitter with an even .400 average. He played first, shortstop, third and was a first line pitcher, his record being two wins against a single loss. Pat Dillon was the better third baseman in the league and he batted a hefty .350. As a pitcher he was 3 and 2.

Herb Thweatt was a big help to the Cats as a hitter and a strong armed catcher, his finale average was .235. Robert Mann was the Cat regular second sacker, batting an even .200, 12th in the league and 5th on the Cats. Bob Dymke batted an even .238, he caught, played second and third. As a pitcher he was 3 and 4. Stanley Kirk turned out to be one of the key players after joining the Cats in mid-season. He was the regular first baseman for a

while, played second, and caught and batted a .238. Sammy Morgan was the regular leftfielder for the Cats. He was an excellent fly-chaser and hit .200. Thomas Leonard, although he saw only limited action batted a very high .417. Alton Crouch batted a hefty .294 and played center field. Melvin Joe Provasek was the Cat rightfielder and was one of the few Babe Ruth league rookies to make a team. James Cook played the outfield and first base and batted .200.

The Cats received extra reserve strength from Mike Flores, David Hudson and Sam Lawhon. Hudson was a regular infielder and outfielder. Lawhon and Flores were outfielders.

Bad Breaks, Loss Of Players Keep Colts From Top

The IOOF Colts who just didn't seem to have the breaks with them finished last in the Babe Ruth league consisting of three Cameron teams. The Colts posted a 2-9 season record.

Their first problem was when they lost star pitcher Carroll Fikes and there wasn't another pitcher on the roster that could take his place. The Colts lost the team's biggest sparkplug and one of the leagues finest hustlers in Allen Boyer who batted .222 and fielded the catching position as well as anyone in the league. The Owls got a small lift from James Heilmann who joined the team in mid-season and hurled and played se-

CAMERON, TEXAS HERALD, AUGUST 7, 1958

3 Trophies To Be Awarded In Alcoa Lake Family Fish Rodeo

ROCKDALE — Eight merchandise awards and three trophies will be offered for the biggest fish caught during the second annual Alcoa Lake Family Fish Rodeo which starts here August 11.

The prizes will be awarded after the close of the contest, sundown, August 17.

Individual prizes will be given men, women, and children bringing in the biggest fish. The biggest catfish brought in by a man will win an HI Reel; the biggest bass, an Ambassador Reel; and the biggest crappie, a Heddon Rod.

For the women, the biggest catfish will earn a Longfellow Rod; the biggest bass, a Shakespeare Reel; and the biggest crappie, a Heddon Rod.

Children, under 12, are also eligible for prizes. The boy bringing in the largest fish of any species will win a Zebco 66 Reel. And the girl bringing in the biggest of any species will win a Heddon Rod.

As well, trophies will be awarded the man, woman, and child bringing in the biggest fish during the meet.

W. T. Whatley, concessionaire for the Rockdale lake, points out that contest fishing is open to all. Fishing permits, available free at the lake concession house, will serve as Rodeo entry blanks. Catches must be weighed in at the concession house 15 minutes before sundown on any day of the Rodeo in order to be eligible.

On August 7, 1942, units of the 1st Marine Division landed at Guadacanal, opening the first U.S. offensive of World War II.

SW Conference Sports ...

Tom Murray's Column

"I've got a great golfer over here for you to interview," squealed the eager Second Looney, name now permanently misplaced.

"He's a professional, just won the Western Open and set a PGA record by doing 18 holes in 60 strokes."

The Staff Sergeant sports editor of the Lackland AFB base newspaper, noticeably irritated, could not have cared less.

Anybody who ever swung a club was a "great golfer," to our friend the processing officer. The brassy non-com agreed to meet this young fellow at Lackland's plush golf layout with photographer in tow.

The photo's ear burned crisply enroute to the course as this ranked word jockey fumed about being sent to interview a nameless golfing neophyte. Had he not done stories on 22 All-American football players, 13 All-American basketballers, Don Newcombe, Bob Turley, Gus Triandos, and numerous pro baseballers who passed through San Antonio?

So, why should he waste time with a fellow named Finsterwald? The setting, nestled into the Spring of 1963, as hardly anybody except his mom and pop had heard of Dow Finsterwald.

The name is now magic to even casual sports enthusiasts five years later. But it was not the new PGA champ's greatest win two weeks ago making it all possible.

Tell the truth, that anonymous Second John spoke wisdom — Dow Finsterwald is a great golfer. To compound his fortune, the former Ohio U. NCAA champ is one of those characters apparently destined for success from birth.

He also has the temperament. So in three years he has become professional golfdom's most consistent money-winner. Needless to mention one visit and trip around the Lackland layout with the new "brass" changed the Sergeant's mind.

The course record there — set by Porky Oliver — was 72. Finsterwald did it in 67 for a new standard yet on the books.

In our early days as sports editor of The Baytown Sun a column was penned predicting the ice-water Ohioan would replace Texas' beloved Ben Hogan as the country's supreme golfer.

That has not happened. But Dow is only 27 years old. REMEMBER THE muscled Randolph Field football team, born of morale necessity in midst of War II? No more talented team was ever assembled. What that group

was to service football, the 1954 Lackland team was to Uncle Sam's golf. Finsterwald, British Open Champ Joe Conrad and Don January were there at the same time

.....Darrell Royal's recruiting troubles are virtually over for the summer but the University of Texas as grid coach keeps a wary eye on Colorado. For Regular Right Halfback Max Alvis is whiling away the summer with a semi-pro baseball team in those picturesque hills. Professional baseball scouts have promised to sign the Jasper star before he can return to Steer football. The figure is over \$50,000

.....Perhaps one reason for more topsy-turvy football in Texas Gulf Coast region than in West Texas can be explained by mileage. Most 4A schools are at least 100 miles apart in the wide open spaces. But look at Port Arthur and Port Neches eight miles apart and Orange 13 miles down the road. Bitter rival Nederland shoulders P. N. despite a 3A rank. It would take a geiger machine to decipher the true boundary between these Jefferson County toughies

.....What ever happened to Webster's fighting Kuga-was?La Marque's Publisher Orlando Blackburn, former Oklahoma Ag Sprinter, has the same first name as the present Cowpoke dash sensation, Orland Hazley

.....With the football season unofficially opening with the High School All-Star game at Houston, mock wars between old grads are around the corner. Livingston will have its share with Postmaster Ray Jones, former Texas fullback; Tucker Lester once a roaring Aggie tackle arguing with Baylor's Snake Bailey, Ross Hightower and Joe Lee Kirgan. Hightower, the old Bear baseballer, was originally a Liberty grad

.....Major attention across the state will focus on Pasadena and Victoria this fall. Bob Barfield, once Cedar Bayou's successful mentor who spent four years at Baylor, is replacing Stoney Phillips at Pasadena. The latter graduated along with Bert Coan. Gordon Wood, Mike McClellan's producer at Stamford, takes the reins at Victoria

.....Russ Parker, one of few Bostonites in Texas newspapering, draws on the wild west for his sports column head, "Russler." He's the enterprising editor of Bay City's Daily Tribune Kyle Griffin, Baytown Sun sports editor and Bill McMurray, ditto for the Brazosport Facts, are Southwest Texas alums.

INVITATION FOR BIDS

Commissioners' Court of Milam County, Texas, will receive sealed bids at the Court House in Cameron, Texas, until Friday, August 22, 1958, 10:00 A.M. at which time they will be publicly opened and read in the Commissioners' Court Room, for the purchase of the following described equipment: tandem drive motor grader, leaning front wheels, powered with 2 cycle Diesel motor of not less than 100 H. P., equipped with electric starter and 12 foot power sliding moldboard, 13:00 x 24 eight ply tires all around, mechanical and hydraulic booster steering, power shift transmission, torque converter, weighing not less than 23,500 pounds, dry weight, no cab or scarf.

Item Two. One (or more) new crawler type front end loader with 1 1/2 cubic yard bucket, two position bucket with teeth, equipped with Diesel motor of not less than 72 net H. P., electric starting, heavy duty rollers and front idler, sprocket guards, heavy duty wrap around hinged radiator guard, long track, rigid truck frame, weighing not less than 19,500 pounds.

Notice is hereby given that it is the intention of the Commissioners' Court to issue Road and Bridge Fund Time Warrants in payment of the above described machinery, to bear interest not to exceed six per cent per annum, for not more than Twenty-five Thousand Dollars, and the extreme maturity date thereof to be not more than five years from date of issue.

All bids must be accompanied by Cashiers Check for five per cent of price bid payable to the undersigned, or in lieu thereof suitable bid bond. Bidders must quote firm price and delivery date, F.O.B. Cameron, Texas. The Commissioners' Court of Milam County reserves the right to reject any or all of such bids.

Charles C. Smith, Jr.,
County Judge,
Milam County, Texas 19-2tc

Cards of Thanks

We wish to express our deep appreciation to all of our friends and neighbors for their kindness at the death of our loved one, Lamar Newton. We are most grateful for the messages of condolence, food and floral offerings.

We wish to especially thank Dr. Newton and the Maysfield Presbyterian Church Choir.

Move To Bryan

By Mrs. A. T. Swanzy

Mrs. Nettie Buffington and Mrs. Dan Scarbrough moved from their home here to Bryan last Saturday.

E. E. Coker of Cameron suffered a heart attack in Ben Arnold last Saturday afternoon and is reported by Mr. Otto Nolte to be alright.

Wade Fatheree is reported to be on the critical list in a Galveston Hospital.

Mr. and Mrs. Richard Rice and daughters and Rodney Gene Rice, son of Mr. and Mrs. Billy Rice of Houston were weekend guests of Mrs. Virginia Rice, Bert and Mike. Also visiting Mrs. Rice on Sunday were Mr. and Mrs. Jay C. Wheeler of Cameron.

Rev. and Mrs. Thomas Dusek of Brownwood, Mr. and Mrs. J. A. Burnett and Carolyn and W. M. Sweet of Jones Prairie were noon guests of Mr. and Mrs. Sonny Swanzy and family last Sunday.

Mr. and Mrs. Spurlin Collins, Mr. and Mrs. Bill Collins and Cathy of Clarkson, Mr. and Mrs. Sonny Swanzy and Jay and Terry Dornier visited Mr. and Mrs. W. H. Fatheree and family last Sunday afternoon.

Mr. and Mrs. Charlie Lucko, Joyce and Curtis; Virgie Kline and Bertha Miller made a trip to New Mexico last week and went through the Carlsbad Caverns.

Gus Heinze, Jr. of Houston spent last week in the home of Mr. and Mrs. Hugo Miller and daughters.

Enjoying an outing at the river last Wednesday night were John and Mary Ann Rice, Lydia Reimer; Mrs. Joe Dusek; Mr. and Mrs. James Bailey, Wayne and sons.

Willard Zander spent last Sunday afternoon in the home of Mr. and Mrs. James Bailey and sons.

Army Commissions

Nathan Offield

FORT SILL, Oklahoma—Cadet Nathan A. Offield, Texas A&M College, son of Mr. and Mrs. Burford Offield, Cameron, has been commissioned a second lieutenant in the artillery branch of the United States Army (Reserve) during final ceremonies of the 1958 ROTC Camp at Fort Sill, Oklahoma, the US Army Artillery and Missile Center.

He completed his academic work for a commission prior to coming to the camp and in order to obtain the rank of second lieutenant had to complete the mandatory summer camp training.

For your votes and support during my recent campaign for election as your county clerk, I will endeavor to serve you to the best of my ability!

Conserving Your Soil

Crop Residue Program On Tap
In Soil Conservation Area

By Your Soil Conservationist

A very important and timely conservation practice that will be carried out by many district co-operators in Taylor Soil Conservation District during the next several weeks is crop residue management.

Good crop residue management is one of the keys to good soil management. You not only improve the soil by the application of this practice, but you also destroy insects.

Organic matter is one of the most essential ingredients of a good productive soil. Organic matter is produced by the decomposition of plant and animal residues. It takes 10 to 20 pounds of residue to produce one pound of organic matter.

Organic matter improves clay soils as well as sandy soils. Heavy clay soils such as the blacklands have a tendency to puddle, run together, wash, and absorb rainfall very slowly. Organic matter makes this kind of soil more friable and easier to work, reduces water run-off and temperature in addition to increasing the water holding capacity of the soil and movement of soil air.

On the sandy soils organic matter increases the water holding capacity, slows down leaching and supplies additional plant food.

Some of the organic matter can be added by green manure crops, but crop residues are one of the cheapest sources. Maize stalks when only the grain is harvested produces large amounts of crop residue. During the next several weeks maize harvesting will be in full swing.

If this residue along with the residue of corn stalks and other crops that produce fairly large tonnage of residue is properly managed each year, it will do a good job of soil improvement and maintenance for future good crop production.

Stalk shredders and stalk cutters do a good job of shredding and cutting the residue into small pieces and leave it scattered uniformly over the land so it will not interfere with farming operations. This gives the field a trashy appearance, but this method of crop residue management is an

improved method of conservation farming based on the principle of increasing the effectiveness of erosion control by providing a dead cover of plant material and litter on cropland much like nature leaves a dead dormant cover of summer grasses on pasture land to protect it from winter erosion.

After the stalks have been shredded or cut with a stalk cutter the land should be prepared in such a manner that most of the residue will be left on or near the surface of the soil.

Since the soil bacteria will take nitrogen out of the soil to decompose this residue, better yield of crops will be secured if 30 to 60 pounds of nitrogen per acre are applied to the residue.

This application of fertilizer can be made immediately after the shredding has been completed and before land preparation is done. If desired, the fertilizer can be applied to the planted crops instead of to the residue. Reduced yield of crops are often experienced following decomposition of large amounts of residue unless fertilizer is applied either to the residue or the planted crops.

City Auction Consigns
713 Cattle Thursday

The Cameron Livestock Auction consigned 713 cattle in a busy market day Thursday, according to auction officials.

Stocker steer calves were scarce in the Thursday sale, officials said, and prices were strong. And livestock sold at steady prices compared to those of the previous week.

A total of 167 sellers sold to 60 buyers.

Thursday prices were:

STEERS:		
Good & Choice Fed Steers & Yearlings	23.00	27.00
Common to Medium	21.00	23.00
COWS:		
Fat Cows	16.00	19.00
Canners and Cutters	13.00	14.00
Stocker Cows	16.00	18.00
BULLS:	18.00	22.50
CALVES:		
Good & Choice Slaughter Calves	25.50	27.50
Common and Medium Kinds	23.00	25.50
Culls	18.00	23.00
Good & Choice Stocker Steer Calves	28.50	33.60
Heifers	24.00	26.50
Medium to Good Stocker & Feeder Steers	18.00	22.50
COWS AND CALVES:		
Good	185.00	230.00
Plain	125.00	150.00
Medium	150.00	185.00
TOP HOGS, Sold Direct		
200 to 245 Lbs.	22.75	

Weekend Rain Boosts
Late Maize, Hegari
As Harvest Begins

Late maize and hegari crops drew some needed rain over the weekend in an otherwise dry week for field work, County Agent J. D. Moore reported this week.

He said that high temperatures ranging in the top 90's stepped up the harvest schedule of early maize.

Small grains, he said, already have been harvested.

The Milam County corn crop is maturing equally well this season. And adequate supplies of hay are being baled as silage cutting gets under way.

The cotton crop estimates are shrinking to about one bale per three acres due to the hot weather in many county areas. Moore said that the one-third bale per acre will be produced on about 30,000 acres in cotton cultivation.

But livestock conditions continue good, he pointed out. Stockmen are reporting good grass and water. He advised that cattlemen plow a fire lane around pasture borders to prevent fires.

Moore noted that a good crop of county watermelons continues to move into the truck crop market.

4-H'ers Take Tour
Of County Farms
To See Sears Gilts

By Robert W. Hoermann
Ass't County Agent

Milam County 4-H's held their annual swine tour July 28, from 8 a.m. till 5 p.m.

The group visited eight Sears gilts owned by Wayland Dorner and Bill Foshea of Burlington, Joe Paul Mueck of Cameron, Billy Biar and Jerry Schoener of Thordale, Henry Abel, Jr. and Reed Davis of Sharp and Don Glaser of Buckholts.

Two Farm Bureau gilts, owned by Donald Swanzy and Benard Kostroun, and the Sears boar owned by Henrietta Richter of Cameron were visited on the tour.

Swine breeders visited were Johnnie Richter, Henry Richter of Cameron, W. J. Cargill of Davilla, and Willie Glaser, Buckholts, and swine feeder Henry Abel, Sr. of Sharp.

Proper swine care was studied during the tour. Protein supplement, grain, and pasture are good feeds for developing swine. A complete feed is useful in developing show gilts.

Johnny Fuchs, Buckholts, donated a sack of feed to the boy doing the best job of swine management.

Your County Agent

Harvest Season
Can Mean Hazards

By J. D. Moore, County Agent

Farmers and motorists are warned by the Texas Farm and Ranch Safety Council to be extra careful as they travel the highways and byways during the coming months.

The Council points out that this is the season when much farm machinery must move over highways and they urge farmers to take no machinery onto a busy road unless it is properly flagged or lighted for night travel. Motorists are warned to be on the alert for slow moving farm machines. Records show that collisions between farm tractors and automobiles very often result in death for the tractor driver.

Commercial Egg Production
This is the title of a new publication just released by the Texas Agricultural Extension Service. Copies may be obtained from the local Extension office. Ask for B-905.

Diseases Of Junipers

Many of the cedar type shrubs are showing signs of dead branches with no apparent cause. Reports from specimens sent to the Pathology Department at A&M College show a fungus like disease that has developed on the honeydew left on the plants by insects earlier in the spring.

Fungicides might help if applied now but those having such plants should spray during the winter and early spring with a dormant oil spray to eliminate the aphids causing the honeydew.

The cotton crop is shrinking to

ted a sack of feed to the boy doing the best job of swine management. Joe Paul Mueck won by having a sprinkler, Pasture, and plenty of fresh water for his gilt.

County Agent J. D. Moore and Ass't Agent Robert Hoermann accompanied the group.

about its usual stride, indicating a crop of about a bale to three acres estimate on a little better than 30,000 acres. Insects continue to pester farmers cotton with the boll weevil more persistent and the boll worm taking up any slack left by the weevils. Cotton is maturing fast and the county's first 1958 bale is due any day now.

The public is urged not to dispose of un-used containers of arsenic poison without caution. T. R. Allen, east of Cameron, lost some good calves recently due to arsenic poison. Abandoned containers carelessly thrown in a junk pile some ten years ago were found in the pasture, but not until after Mr. Allen had lost some of his valuable cattle.

Local veterinarians report that other similar cases of livestock losses are occasionally found. Local health authorities should be consulted about disposing of un-used arsenicals. Arsenic poison does not lose its strength, therefore a small amount can cause a substantial loss.

Williams Completes
Teletype School

FORT GORDON, Ga.—Pvt. Charles L. Williams, 17, son of Mrs. Milton T. Williams, 406 E. 17th St., Cameron, recently completed the eight-week teletype operator course at the Army's Southeastern Signal School, Fort Gordon, Ga.

Williams entered the Army last March and completed basic training at Fort Carson, Colo.

He attended Yoe High School and was formerly employed as a service station attendant at Barr's Gulf Station in Cameron.
